Policy development: The Ombudsperson for Gender Equality and the Croatian Association of Employers have established the first Croatian Register of Business Women, within the PROGRESS Programme of the European Union project "Dismantling the Glass Labyrinth – Equal Opportunity Access to Economic Decision-making in Croatia" (No. JUST/2012/PROG/AG/4157/GE).

Key points of analysis: The Register of Business Women represents an electronic database of women in Croatia who are qualified and able to assume the highest management positions in companies.
